

Overview

For clients throughout the Midwest and across the country, Krieg DeVault provides clear, practical legal advice that takes in the big picture without losing sight of the details. That's how we approach your legal challenges and how we deliver solutions that are focused on your needs, your business and your world.

While much has changed since Krieg DeVault's founding in Indianapolis, over 150 years ago, our commitment to listening to our clients has not. Client satisfaction and loyalty have allowed us to grow from a two-lawyer general practice in the mid-1870s to our current status as a premier business-focused law firm. From offices that reach from the nation's heartland to the Sun Belt, we are ideally positioned to serve the needs of our diversified client base.

Financial institutions, global manufacturers, national healthcare providers, successful organizations of various sizes and market focus, as well as individuals all rely on us for solutions that create success. They know their important cases, sophisticated transactions, and complex business issues require the big picture approach that has become a Krieg DeVault hallmark.
