Take the Surprise Out of Surprise Billing Laws - Watch Now

July 30, 2021

State and Federal governments agree on addressing surprise medical bills, but they do not agree on the approach. **Brandon W. Shirley** and **Alexandria M. Foster** recently presented to the Indiana Medical Group Management Association, giving an overview of Indiana's surprise medical billing laws and new federal laws and regulations for surprise medical billing and Good Faith Estimates. The webinar also provided practical compliance advice to health care providers and entities to ensure compliance with these new laws.
