Thomas N. Hutchinson Named to Meritas US Leadership Committee

May 17, 2020

Krieg DeVault is pleased to announce that Thomas N. Hutchinson was recently named to the Meritas US Leadership Committee.

The US Leadership Committee, working in conjunction with Meritas' US Regional Director, is charged with developing an appropriate strategy and action plan to maximize involvement and engagement of member firms in the region. Some of the group's initiatives include developing a meeting strategy (whether by geography, practice group, firm size, or another metric) and building a communication structure that facilitates engagement, fosters relationships, maintains communication, and promotes Meritas' global strategy and initiatives. The US Leadership Committee also works with US Board members and other Meritas Regional Committees to identify issues that need to be addressed, evaluate new ideas or programs, and provide input into recruitment and intra-regional engagement.

Congratulations, Tom!
