

Dental

Krieg DeVault is uniquely qualified to work with you on your dental practice and related issues that are unique to the practice of dentistry. We regularly represent dentists on legal, operational, and strategic matters. More than just a legal solutions provider, we are there for our dental clients through all phases of dental practice ownership and management. Whether it is starting your own practice, growing your practice, or selling your practice, Krieg DeVault is here to assist. We address legal needs with practical solutions backed by years of dental-specific experience.

Representative matters include:

- Buying a practice
- Associate agreements
- Office leases
- Partnership separations
- Practice buy-ins and partnerships
- Selling a practice
- Real estate transactions
- Entity formation
- Human resources
- Transition of dental practice/exit plan
- Dispute resolution
